Gladish Community and Cultural Center provides wonderful spaces for valuable programs in our Palouse Region, ensuring successful growth in education, the arts and family development. Friends of Gladish Board of Directors and I invite you to help continue these programs through your donations, volunteer time and support. Accomplishments worth celebrating in 2013 include:

- Remodel of the Recreation Room, making it a venue of choice;
- Art Walk 2013 in the Rec Room, featuring art work by renown artists;
- Five energy-efficient egress classroom windows installed in Room 104;
- Exhaust fan installed on the 3rd floor to cool our building during summer;
- Remodel of Room 99 for night watchman studio apartment;
- Three additional security cameras installed;
- \$17,000 Inland Northwest Community Foundation grant award for window replacements in 2014!

In 2014, we are celebrating 60 years of the Gladish building as it stands today. (Gladish was built in stages starting in 1929 and concluding in the 1950's with a cornerstone placed in 1954). Anniversary fundraising this year will go toward replacing windows. Thank you for contributing to this worthy cause!

The Friends of Gladish Board of Directors and I would like to keep you informed as we develop new programs and activities for the community. If you would like to receive occasional updates from Gladish, let me know on the enclosed membership form.

You are invited to our annual membership meeting on the first Sunday of March each year, at 1pm in the Gold Room 115. We appreciate your suggestions for continued development of Gladish Community and Cultural Center. Please consider serving on our Board of Directors.

Sincerely,
Donna Gwinn, Executive Director
